

Patsy Mak Good Sports Award

In 2019, Kingston Blues Netball Club will continue to administer a weekly Patsy Mak Good Sports Award, sponsored and conceived by our Club Patron Patsy Makarewicz.

The Patsy Mak Good Sports Award aims to encourage and recognise positive behaviours that reflect the Club's core values and will be awarded each week to a player from each team that best meets the following criteria.

The player should:

- Be relentless, fair and focused in upholding & demonstrating the values and expected behaviours of the Club
- Show respect and courtesy to all involved with the sport
- Promote fair play
- Encourage and support all participants of the sport
- Help each other reach their potential and respect each other's talent and developmental stage.
- Play with respect, integrity and fairness
- Take responsibility for their actions attending all training sessions and work to the best of their ability for the overall success of their team
- Some of our expected behaviours include
 - We will not use offensive language or display rude behaviour
 - We will treat others how we wish to be treated
 - We will listen to our Coaches, umpires and team members
 - We will arrive on time to training and games
 - We will make sure we have appropriate clothing for training and games
 - We will Follow the Rules and listen to the umpires
 - We will demonstrate good sportsmanship toward others
 - We will try our best at training and on game day

Each coach will need to nominate one player from their team in their allotted week - I will be sending calendar reminders to coaches to make sure we don't forget!

We'll also need a small blurb about how they meet the criteria e.g Jane is always positive and encouraging of her fellow team mates, she is always offering to help with team tasks and helps out her fellow team mates whenever she can. Or something similar.

Receivers of the award will be posted on our FB page each week and issued a certificate of recognition. They will also be recognised formally at our end of season presentation dinner.

Thank you all for your support in administering this award. The continued success of the club and the growth of our values within it are important to Patsy Mak and our committee.
